why hire cky design group?

Take advantage of our many years of experience across the entire spectrum of interior design. Our diverse and finely honed skills have created fabulous spaces that have dramatically increased the living standard of countless homes and businesses.

Here are a few items that set us apart from other interior design firms:

- We are a group of professional interior design consultants, capable of handling the widest variety of projects, property types, sizes and timelines.
- We are experts in color, furniture, space planning, and fine art with extensive access to lighting, European furniture lines and contemporary Canadian artists.
- We communicate clearly, concisely and in a timely manner.
- We are respectful and sensitive to your tastes, budget, needs, likes and dislikes.
- We design responsibly, by firstly analyzing the form and function of a space.
- **We do not impose our design style aesthetics on you, rather we help you to discover and ultimately to create your own.**

our profiles

We are a team of design professionals with an unrivalled range of creative expertise. Let us help you by offering you interior design solutions.

cky design group consists of 3 senior designers – Carrie Colton, Karyn Watson and Yvonne Potter - with diverse yet complimentary backgrounds. **cky's** studio office is located in the Glebe and acts as a hub of interaction between our clients and suppliers.

AS A DESIGN GROUP, WE HAVE A VAST ARRAY OF SKILLS TO OFFER:

Carrie Colton

EXPERTISE IN CONTEMPORARY FINE ART SOURCING, COLOUR, AND GRAPHIC COMMUNICATIONS

Carrie has 20 years experience in professional design. After graduating from the 3 year advanced diploma program in Design at St. Lawrence College, Kingston, Carrie pursued fine art and painting studies at the Ottawa School of Art and the University of Ottawa. An accomplished graphic artist, interior decorator and fine art painter, Carrie parlays her passion and proficiency in all things visual into cogent, meaningful design that her clients embrace.

Helping her clients transform their living space to capture their spirit, taste and personality. Carrie has an undying commitment to beautiful, functional interiors.

Karyn Watson

EXPERTISE IN INTERIOR DESIGN, 3D DRAWINGS, STYLING AND STAGING

Originally trained in Fine Arts, Karyn has spent 20 years in the theatre, television and film industries creating unique and stylish environments. Her clients range from museums to restaurants, large theatres to production companies and include the National Arts Centre, Mirvish Productions, Canadian Museum of Nature, National Film Board, CBC and many private residences.

A graduate of the Interior Design program at Ottawa's Algonquin College, Karyn applies her creative instincts to transform spaces into functional and beautiful environments that fulfill her client's needs and embrace their personalities.

Yvonne Potter

EXPERTISE IN ARCHITECTURAL TECHNOLOGY, FURNITURE DESIGN AND CONSTRUCTION METHODS

Yvonne's evolution as a designer began in 1986, studying architecture, urban planning then earning a degree in Industrial Design at Carleton University, Ottawa. Most recently, Yvonne has applied her experience, knowledge and skills into designing modern interiors and furniture. In 2005 she travelled to China, to build manufacturing partnerships to produce her modern bar and counter stool series. Some of her recent interiors clients include the Black Cat Bistro, Manx Pub, Galerie St. Laurent + Hill and Info Notaire law office.

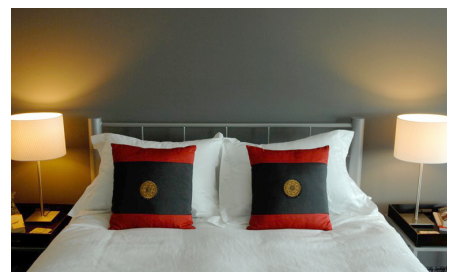

Yvonne's innate understanding of shape, structure and space, coupled with her passion for all things aesthetic, rounds out the cky design group perfectly.
